

DRESS CODE

No clothing, visible tattoos, or other articles showing or indicating the name, insignia, sign, colors or symbol ("dress") of specified gangs may be worn or displayed by any person entering or present at the Stanislaus County Fair. If a member of the public enters the Stanislaus County Fair with prohibited gang dress, that person will be asked to remove the symbol or insignia. Any person refusing to remove said symbols or insignia at the request of fair staff or law enforcement personnel will be ejected from the fairgrounds. Please contact the Stanislaus County Sheriff's Office with any questions regarding this policy or to confirm whether the dress of a particular gang is prohibited.
